Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Hudson on Tuesday, the 8th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvement of town roads.

4. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

6. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

7. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various Cemetery lots

8. To see what action the Town will take in regard to real estate taken over by the Town for non-payment of taxes.

9. To see if the Town will authorize the Selectmen to accept certain W. P. A. projects and raise and appropriate money for the same.

10. To see if the Town will vote to accept State Aid Construction to finish the Kimball Hill Road, so called and raise and appropriate for that purpose the sum of $2300.00

11. To see if the Town will vote to install two hydrants on Highland Street, one at the junction of Gloria Ave. and one between Gloria Ave. and the Edward J. Wells homestead, and raise and appropriate money for the same.

12. To see if the Town will vote to purchase from the Odd Fellows Building Association the building on Central Street now known as the Odd Fellows Hall and raise and appropriate the sum of $6,000.00 for the same. Retirement of said amount to be made by the issuance of five serial notes in amount of $1,200.00 each for a period of five years.

13. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

14. To see if the Town will vote to discontinue that portion of Haverhill Street between Highland and Ferry St. and relocate same from the junction of Haverhill St. in a southerly direction across the land of Nellie Cross to a point on Ferry St. near Second St., provided said land is acquired without cost to the Town.

15. To transact such other business as may legally come before the meeting.

Given under our hands and seal this 21st day of February in the year of our Lord nineteen hundred and thirty-eight.

REPORT

OF THE

BOARD OF HEALTH

To the Selectmen and Citizens:

I have the honor to submit my report for the year ending January 31, 1938. The town has been very free from contagious diseases the past year — only one home had to be quarantined. Numerous minor and children's diseases were reported, but by the families being cautioned by the School Nurses, I believe has had a great deal to do with keeping our town healthy. Also, the people are becoming more alarmed over things that cause disease, if I am any judge from the complaints that I have received and endeavored to have corrected.

The public dump was put under my supervision this becoming a charge against the Health Department and taken away from the Highway Department. We have had to hire men to throw back the rubbish over the side of the dump owing to the carelessness of people dumping on top of the dump.

I herewith submit a list of complaints and work done the past year.

TOWN OF HUDSON

HEALTH DEPARTMENT

Hudson, N. H., September 1, 1937

At a meeting of the Board of Health held this day the following Regulations regarding the Slaughtering and Inspection of meat were adopted to be enforced by the legally appointed Inspector Arnold G. Andrews of said Town of Hudson.

Every slaughter house hereafter or now maintained within the limits of the Town of Hudson, N. H. must comply with the following regulations, unless otherwise specified or ordered by the Meat Inspector or the Board of Health.

Regulations Regarding the Slaughtering and Inspection of Meat:

1. All refuse and waste material must be deposited immediately after slaughtering, in tightly covered, movable, metal or hardwood receptacles. This material must be removed from the premises daily and burned or otherwise destroyed as may be directed by the Meat Inspector.

2. The proprietor or lessee of each slaughterhouse shall inform the inspector of the day when animals are to be killed. The inspector shall designate the hour.

3. No cattle, swine, or sheep shall be killed for human food while in a diseased or exhausted condition.

4. No calf less than 4 weeks old or less than 40 lbs. dressed weight. No pigs less than 5 weeks old, and no lamb less than 8 weeks old shall be killed for human food nor any part thereof offered for sale within the town.

5. No beef, pork, veal, mutton, or lamb shall be sold or offered for sale for food purposes unless the animal from which the meat was taken was examined both before and after slaughtering by a meat inspector appointed by and in the employ of the United States Government, and passed as fit for food, and stamped with a proper identification mark or marks, according to the system adopted by the United States Bureau of Animal Industry, or bearing the mark of any State or Municipal Department Stamp, approved by the Board of Health.

6. Any carcass, parts of carcass or organs found to be unsound, unhealthful, unwholesome or otherwise unfit for human food shall be condemned and shall be tanked, incinerated, or denatured under the direct supervision of the inspector.

7. The inspector's fees shall be paid by the company, corporation, or individual who leases or owns a slaughterhouse and shall be for any Beef Animal 50c; Hog Animal 25c; Calf Animal 25c; Lamb 10c.

8. Any person, member of firm, or officer of corporation violating any of the provisions of these regulations, or whoever hinders or obstructs any inspector in the pursuit of his lawful duties, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding Ten Dollars.

TOWN OF HUDSON

In the Year of Our Lord One Thousand Nine Hundred and Thirty-Six.

AN ORDINANCE REGULATING KEEPING AND MAINTAINING SWINE

Be it ordained by the Board of Selectmen for the town of Hudson:

1. Any person, firm or corporation who owns, keeps or has possession of or who maintains or controls any pigs or other swine or any pen or sty for pigs or other swine in an area one and one-half miles from the center of the east end of Taylor Falls Bridge in the Town of Hudson must obtain a permit from the Board of Health of the Town of Hudson within ten days after the passage of this ordinance.

2. Any person, firm or corporation who, after the passage of this ordinance, desires to own, keep or have the possession of or who desires to maintain or control any pigs or other swine or any pen or sty for pigs or other swine in an area one and one-half miles from the center of the east end of Taylor Falls Bridge in the Town of Hudson must first obtain a permit from the Board of Health of said Town.

3. The Health Officer shall make such regulations for the keeping of pigs as he shall in his opinion deem necessary for the general health of the inhabitants of the town. If such regulations are not complied with, and conditions exist such as offensive odors permeating or polluting the air of adjoining property

owners, or unsightly or unsanitary conditions that may affect the public health, he may declare the same a nuisance and deny or revoke a permit for the continuance of the same.

4. Any person, firm or corporation keeping, maintaining or possessing pigs or swine without a permit from the Board of Health in conformance with this ordinance shall be prosecuted, and, if found guilty, shall be fined ten dollars. Each day that this ordinance is violated shall constitute a new offence.

5. This ordinance shall take effect upon its passage.

Approved, December 21, 1936.
KARL E. MERRILL,
Health Officer.

Report of School Board

The Building Committee has met several times during the last year and studied the possibility of a three year Junior High School Program in Hudson. The Committee believes that such a school would be of great benefit to the boys and girls of Hudson.

Our school would then be organized as a part of a regular 6-3-3 plan. Six years elementary, three years Junior High at Hudson and the regular three year High School course in Nashua. The Portable and I. O. O. F. rooms would then be closed.

It would require a new six room building with facilities for manual training, domestic arts, and health to take care of grades 7, 8, and 9. The cost of paying off the necessary loan over a period of ten years would increase expenses slightly for that length of time, but the educational costs should be less after that period.

The Nursery School has continued active this past year with an enrollment of 28 and an average attendance of over 20. Besides an improved physical condition the teachers at Webster School report that children from the Nursery School adjust themselves to first grade work with little loss of time.

The School Board wishes to thank Mr. John A. Robinson for land given the school district for the tennis courts and adjoining play grounds and recommend naming this property the Robinson Playground

The sewer system has been improved by the installation of a manhole, to allow thorough cleaning of line from the Webster Building to Library Street, and an automatic trap to stop any back flow when the mains are flooded by surface water.

Mr. Robert H. Hardy and Mr. Fred Goodwin met with the Nashua School authorities last spring and the result was a reduction in tuition from $107.00 to $100.00 per pupil for the year 1937 and 1938. We appreciate this cooperation.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire
January 10, 1938

To the School Board and Citizens of the Town of Hudson:

Following is my eighth annual report as Superintendent of Schools.

Enrollment January 3, 1938

Grades	1	2	3	4	5	6	7	8	Total
Webster Building	35	39	44	37	37	35	71	68	366
Portable Building	13	13							26
I. O. O. F. Building				20		8			28
Center School	13	9	15	6	10	14			67
Totals	61	61	59	63	47	57	71	68	487

There were 27 less children attending the elementary schools in Hudson over the number attending on a similar date in 1936.

A total of 178 children have been enrolled in the Junior and Senior High School in Nashua this year, this is 14 more than last year. From the figure now available it would appear that we would have 196 in Nashua Junior and Senior High School next year. This year this number is divide ; grade 9, 61 ; grade 10, 45 ; grade 11, 44; grade 12, 28.

From past experience it seems reasonable to expect that 190 will be in attendance in Nashua next year and that we must provide $19,000 in payment of their tuition.

At the Webster School we continue to be over crowded and still use a room in the I. O. O. F. building for grades 4 and 6 and the Portable building for grades 1 and 2. The Portable building is in bad shape and considerable money will have to be expended for repairs if it is used much longer. Since the organization of the schools of Nashua on the 6-3-3 plan, our children are compelled to adjust themselves in the 9th grade in the Junior High School and then make another adjustment in the Senior High School for grades 10, 11, and 12.

Since our housing facilities in Hudson are inadequate and since it seems improbable that we are to receive any assistance from the Hills Estate, it would seem reasonable that we would want to have constructed a building of at least 6 rooms

with facilities for domestic arts, manual training, and science. This would relieve our over-crowded condition and enable us to conduct grades 7, 8, and 9 as a Junior High School and to prepare our children to enter directly the Senior High School in Nashua in grade 10. Such a building would enable us to discontinue the use of the I. O. O. F. and Portable building, and thereby save about $500 per year toward the maintenance of the new building. At the present time the School District of Hudson holds options on about nine acres of land located on Blueberry Hill about one-eighth of a mile north-east of the present Webster School. This land is centrally located back away from the travelled streets and dangerous street intersections: it is at a good elevation, fairly level, and well drained. It seems to be as good a location for the development of a school plant as can be found in any town in the state of New Hampshire. I believe it would be to the future benefit of the citizens of Hudson to purchase this land at this time while it is held under option in order that we may have a forward looking program for the development of our school plant and playground facilities.

Respectfully submitted,

FRED W. HALL,

Superintendent of Schools.

REPORT OF THE SCHOOL NURSE

February 3, 1938

To the School Board and Citizens of Hudson, I tender my report as School Nurse.

Number of children examined	531		
Number of defective teeth	267	corrected	183
Number of defective tonsils	23	corrected	14
Number of defective vision	20	corrected	6
Number of defective thyroid gland	1	under treatment	1
Number of defective cardias	5	under treatment	1
Number of defective hilus glands	18	improved	4
		cleared	3
T. B. skin tested	10	reactions	7
X-Rayed	7		

The skin tests and X-Ray diagnosis were done with the co-operation of parents and the New Hampshire T. B. Association. Reports of findings were sent to family physicians and a close check is being kept on these children.

Impetigo has been quite prevalent among the children this year.

In the fall, Doctor Robert Kerr of the New Hampshire T. B. Association, assisted by Mrs. Irene Birchall, spent a day examining children at the Hudson Center and Webster Schools. This was very helpful as we have no school physician.

The dental clinic is held every Thursday morning throughout the school year when there are children whose parents wish them to have dental treatment. Cod Liver Oil is given in grades one to six inclusive, and is being financed by donations from parents and the Webster Teacher Association. At Hudson Center a card party was sponsored by parents and teachers to help finance the Cod Liver Oil.

The hot lunch at the Webster School and a light lunch at Hudson Center is helpful and well patronized. The Community Council has been very helpful and most cooperative in their guidance clinics in diagnosing cases referred to it.

I wish to thank the teachers and parents for their fine co-operation.

Respectfully submitted,

HELEN HOUSE,

School Nurse.
